You are cordially invited to join us via conference call as Fabrizio Campelli, Global Head of Deutsche Bank Wealth Management, discusses our capital markets outlook and our 10 new investment themes with Christian Nolting, Global Chief Investment Officer and Global Head of Wealth Discretionary.

We will look at the key events and asset class trends that will shape your future investment world. The year ahead is likely to be a rather different year from 2017 and we believe that a "reality check" is required in order to prepare portfolios for the challenges ahead and enable them to benefit from our 10 themes for 2018.

How to register for the call:

1. Please register at <http://emea.directeventreg.com/registration/7289927>. Upon registering, you will be sent an e-mail that includes the phone number you will need to dial, and the passcode you will need to enter, in order to join the call. You will be sent an e-mail reminder on the day before the event.
2. Call the phone number up to 10 minutes prior to the call start time, and follow the simple instructions provided by the automated system.
